Celebrating Fivelements' Achievements

Fivelements Celebrates Five Years with over 26 Award Recognitions

Dear Sasha,

It is with great honour and gratitude to share these special recognitions over the course of our first five years. They are a testament to Fivelements' commitment to inspiring a healthier, more vibrant and happier world - one that celebrates harmony among spirit, human and nature.

In 2007, Fivelements began as an integrative wellness lifestyle company focused on creating high impact wellness strategies and projects. In late 2010, Fivelements, Bali opened as a new genre of wellness destinations, bridging the wisdom of traditional healing cultures with modern, innovative wellness concepts. Today, the retreat serves as a sanctuary designed for guests from around the world to safely retreat and find the personal space, time and energy needed to reconnect with their *authentic selves* and align what's most important. Our unique approach is aimed at helping to bring about personal transformations in a gently guided, profound process.

We accept these awards on behalf of our incredible Fivelements team whose love and dedicated efforts make up the heart and soul of our *Love in Action* culture.

And to our amazing guests, we extend a deep gratitude for entrusting us to care, nurture and nourish you over the past five years.

Blessings for health, wellness and inspiration,

Lahra & Chicco Tatriele

Co-founders, Fivelements
